Honorable Board of Commissioners  
Housing Authority  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, California 90012

Dear Commissioners:

**10-YEAR LEASE FOR SECTION 8 PROGRAM OFFICE SPACE AT  
2323 EAST PALMDALE BOULEVARD, PALMDALE (5)  
(3 Vote)**

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Find that entering into a Lease Agreement, with tenant improvements, to provide 9,809 rentable square feet of office space for Section 8 Program administrative hearings at 2323 East Palmdale Boulevard in the City of Palmdale, is exempt from the provisions of the California Environmental Quality Act (CEQA).
2. Approve a 10-year Lease Agreement with AP-Palmdale, LLC, (the Landlord), presented in substantially final form, for the leasing of the property described above, to be used by Section 8 Program staff serving the Antelope Valley area; and authorize the Executive Director to execute the Lease Agreement and all other necessary documents, including amendments that will not alter the original intent or approved dollar amounts, to be effective following approval as to form by County Counsel and execution by all parties.
3. Authorize the Executive Director to use, for the purposes described above, a maximum of \$2,152,970 in Section 8 Earned Administrative Fees for the 10-year term of the lease, of which \$207,256 is included in the Housing Authority's approved

2006-2007 Fiscal Year Budget, and the remainder will be requested through the annual budget process.

**PURPOSE OF RECOMMENDED ACTION:**

The purpose of this action is to enter into a lease to provide improved administrative office space for the Section 8 Program.

**JUSTIFICATION:**

The Section 8 Program has experienced tremendous growth over the past 10 years. The proposed lease will relieve severe overcrowding for approximately 25 staff that administers the Section 8 Program in the Antelope Valley. It will provide the necessary space for program administration and clientele interviews and training, thereby improving program efficiency and customer service.

**FISCAL IMPACT/FINANCING:**

There is no impact on the County general fund.

The proposed lease has an initial term of 10 years with two five-year lease options. The initial two-year base rent will be \$15,694 per month, excluding utilities. Over the term, the fixed rent increases will not exceed four percent per year based on the Consumer Price Index and the total lease cost is projected at \$2,039,880.

The lease rent includes the cost of necessary tenant improvements in the amount of \$700,000 to prepare the building and parking lot for occupancy. These will be funded by the Landlord and are included in the Housing Authority's rental payments.

The Housing Authority will provide up to \$113,090 for additional tenant improvements and related change orders to be completed by the Landlord and repayable 60 days after acceptance by the Housing Authority. Funds for this expenditure and relocation costs were approved in the Housing Authority's 2006-2007 Fiscal Year budget.

Total costs for the 10-year lease and additional tenant improvements and change orders will not exceed \$2,152,970. The Housing Authority will use funds included in the approved 2006-2007 budget for the initial six months of rental costs and additional tenant improvements and change orders, and will request funds through the annual budget process for the remaining term.

**FACTS AND PROVISIONS/LEGAL REQUIREMENTS:**

Section 8 Program staff serving the Antelope Valley currently occupies leased property located at 43770 15<sup>th</sup> Street West in the City of Lancaster. The lease term expired in May 2006, and the lease is currently on a month-to-month holdover tenancy at a monthly rate of \$6,373. It will terminate upon occupancy of the new facility.

The proposed 2323 East Palmdale Boulevard property provides 9,809 rentable square feet of office space and 49 off-street parking spaces. Key provisions for occupying the space are as follows:

- The 10-year term begins upon completion of improvements by the Landlord and acceptance of the improvements by the Housing Authority at a monthly base rent of \$15,694.
- A tenant improvement allowance to prepare the premises for occupancy, pursuant to the preliminary plans, is estimated to cost \$700,000, or \$71.36 per square foot, and is included in the base rental.
- Additional tenant improvements and change order allowances totaling \$113,090, or \$11.53 per square foot, is reimbursable in a lump sum payment to the Landlord within 60 days of acceptance by the Housing Authority.
- There are 49 unreserved parking spaces included in the rental rate, which is sufficient to meet the parking needs of the Section 8 Program staff and clientele.
- The Landlord will indemnify the Housing Authority for personal injury and loss of personal property, but will not indemnify for consequential damages, i.e. moving costs and increase in rental costs, if subsequent relocation occurs.
- A cancellation provision in the Lease Agreement allows the Housing Authority to cancel any time after the 96<sup>th</sup> month with not less than 120 days prior written notice, and reimburse the Landlord for the unamortized portion of the base \$700,000 in Landlord provided tenant improvements amortized at 8 percent over the 10-year term.
- The Lease Agreement runs co-terminus with a separate lease between the Landlord and the County for the remaining available office space in the 2323 East Palmdale Boulevard building. If either the Housing Authority or County

lease is cancelled the other lease must be cancelled, and if the exercise of the option is to be effective in one lease it must also be exercised in the other lease.

- The Housing Authority has two five-year options to renew the Lease Agreement at the greater of 90 percent of market or prior month base rent.
- The Lease Agreement is on a modified full-service basis whereby the Landlord will be responsible for operating and maintenance costs, excluding utility services, which are paid separately by the Housing Authority.

The Housing Authority has followed the principles of the Los Angeles County Strategic Asset Management Plan and the Real Property Acquisition Policy, and has worked closely with the Chief Administrative Office in developing the proposed Lease Agreement.

The September meeting of the Housing Commission was cancelled due to lack of a quorum and the next meeting will not convene until October 25, 2006. Because both the Housing Authority and the Department of Mental Health plan to occupy the proposed leased space, the Housing Authority wishes to proceed on this matter in order not to delay the planned move by both entities. The Department of Mental Health is presenting a corresponding request on this agenda. This matter will be presented to the Housing Commission for concurrence at its next meeting.

On September 6, 2006, the Lease Agreement was approved by the Real Estate Management Commission. It will be effective following approval as to form by County Counsel and execution by all parties. The initial 10-year term will commence upon acceptance of the tenant improvements by the Housing Authority.

#### **ENVIRONMENTAL DOCUMENTATION**

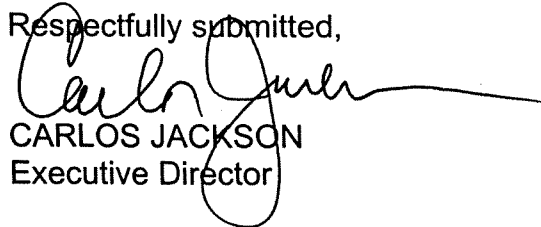

Pursuant to 24 Code of Federal Regulations, Part 58, Section 58.35 (a)(3)(iii), this project is excluded from the National Environmental Policy Act (NEPA), because it involves activities that will not alter existing environmental conditions. It is exempt from the provisions of CEQA, pursuant to State CEQA Guidelines 15301, because it involves negligible or no expansion of use beyond what currently exists and does not have the potential for causing a significant effect on the environment.

**IMPACT ON CURRENT SERVICES:**

The Lease Agreement will facilitate the delivery of programs and customer service to the County of Los Angeles.

44 2. PREMISES.

1 (a) Landlord does hereby lease to Tenant, and Tenant does hereby lease from  
2 Landlord, upon the terms and conditions herein set forth, the Premises described in Section 1 and  
3 Exhibit A attached hereto.

4 (b) Landlord and Tenant acknowledge that the Premises consists of  
5 approximately 9,809 rentable square feet of the Building plus associated parking spaces as  
6 provided herein.

7 (c) The Premises were measured by Landlord and verified independently by  
8 Tenant in accordance with the methods of measuring rentable area as described in the Standard  
9 Method for Measuring Floor Area in Warehouse/Office Buildings, ANSI Z65.1-195, as  
10 promulgated by the Building Owners and Management Association (BOMA) International. At  
11 no time, except by specific amendment to this Lease, will the amount of square footage as  
12 contained herein exceed the amount stated above.

13 3. COMMON AREAS. Tenant may use the following areas ("Common Areas") in  
14 common with Landlord and other tenants of the Building: the entrances, lobbies and other public  
15 areas of the Building, walkways, landscaped areas, driveways necessary for access to the  
16 Premises, parking areas and other common facilities designated by Landlord from time to time  
17 for common use of all tenants of the Building. Tenant shall comply with all reasonable, non-  
18 discriminatory rules and regulations regarding the use of the Common Areas established by  
19 Landlord.

20 4. COMMENCEMENT AND EXPIRATION DATES.

21 (a) Term. The term of this Lease shall commence upon the Commencement Date  
22 and terminate on the Termination Date. Within forty-five (45) days of determining the  
23 Commencement Date, Landlord and Tenant shall acknowledge in writing the Commencement  
24 Date by executing the Commencement Date Memorandum and Confirmation of Lease Terms  
25 attached as Exhibit C. The Lease shall commence in accordance with the provisions of Section  
26 1(g). The term "Substantially Complete" or "Substantial Completion" as used in this Lease shall  
27 mean that Landlord has completed (1) all of the Base Tenant Improvements as defined herein  
28 and set forth on Addendum B to the Landlord's Work Letter, notwithstanding the fact that minor  
29 details of construction, mechanical adjustments or decoration which do not materially interfere  
30 with Tenant's use of the Premises remain to be performed (items normally referred to as "punch-  
31 list items", which items shall be completed in a forty (40) day period after completion of the  
32 punchlist) and (2) Tenant has been provided with the number of parking privileges and spaces to  
33 which it is entitled under this Lease. The Premises shall be deemed Substantially Complete, even  
34 though Tenant's furniture, furniture systems, telephones, telexes, telecopiers, photocopy  
35 machines, computers and other business machines or equipment or other telecommunications  
36 equipment have not been installed, the purchase and installation of which shall be Tenant's sole  
37 responsibility. Subject to the correction by Landlord of the punch-list items, Tenant shall be  
38 obligated to accept the Premises at such time as the Premises are delivered to Tenant  
39 Substantially Complete, and Tenant has been provided access to the parking facility serving the  
40 Premises.

41 (b) Termination Right. If the Commencement Date has not occurred by the  
42 Projected Commencement Date, subject to Tenant Delays or Force Majeure Delays as provided

1 in Landlord's Work Letter, which has been executed concurrently herewith, Tenant may  
2 thereafter, at any time before the Commencement Date occurs, terminate this Lease effective  
3 upon the giving of written notice to Landlord and the parties shall have no further obligations to  
4 one another hereunder.

5 (c) Early Access. As provided in Section 1.(g), Tenant shall be entitled to access  
6 to the Premises forty-five (45) days prior to the Commencement Date for the purpose of  
7 installing Tenant's furniture, fixtures and equipment in the Premises. Such early access shall be  
8 subject to all provisions hereof but shall not advance the Termination Date, and Tenant shall not  
9 pay Basic Rent for such early occupancy period.

10 (d) Early Termination. Subject to the Termination Conditions (as defined  
11 below), Tenant shall have the right to terminate this Lease (each separately a "Termination  
12 Option") during the initial ten (10) year term at any time after the last day of the ninety-six (96<sup>th</sup>)  
13 month following the last day of the month in which the Commencement Date occurs and during  
14 an Option Term (as defined below) at any time after the last day of the twenty-fourth (24<sup>th</sup>)  
15 month following the last day of the month in which the applicable Option Term commenced.  
16 Each Termination Option is granted subject to the following terms and conditions ("Termination  
17 Conditions"):

18 (i) Notice. Tenant shall give Landlord not less than one hundred twenty  
19 (120) days, nor more than two hundred ten (210) days advance written notice of its irrevocable  
20 election to exercise a Termination Option, time being of the essence. Such notice shall  
21 specifically identify the date upon which the termination will be effective ("Early Termination  
22 Date"). Notice shall be given in accordance with the provisions of paragraph 30(f) of this Lease.

23 (ii) Termination Payment. Tenant shall pay to Landlord on or before the  
24 Termination Date a cash termination payment (the "Termination Payment") equal to the sum of  
25 the following amounts:

26 The unamortized cost of the following amounts (the "Concessions"), calculated as of the  
27 applicable Termination Date:

28 (A) Leasing commissions in the amount of Sixty Thousand Dollars  
29 (\$60,000.00) paid to The Abbey Management Company LLC which were incurred by Landlord  
30 in connection with the initial consummation of this Lease; plus

31 (B) The sum of Seven Hundred Thousand Dollars (\$700,000) which the  
32 parties hereto agree is the cost of all Base Tenant Improvements work (and all architectural and  
33 space planning fees associated therewith) paid or incurred by Landlord for the construction of the  
34 Base Tenant Improvements work.

35 The amounts described in (A) and (B) above shall be amortized on a straight line basis over the  
36 initial ten (10) year term of this Lease using an amortization rate of eight percent (8%). The  
37 Termination Payment shall be due and payable on the fifteenth (15<sup>th</sup>) day following the  
38 Termination Date. If Tenant fails to timely deliver the Termination Payment to Landlord, time  
39 being of the essence, Tenant shall pay to Landlord interest on the unpaid balance of the

1 Termination Payment at the rate of eighteen percent (18%) per annum (not to exceed the  
2 maximum rate allowed by law) monthly until the Termination Payment is paid in full.

3 (iii) Concurrent Termination of Mental Health Lease. As a further  
4 condition to the exercise of the Termination Option under this Lease, it is required that Tenant  
5 concurrently exercises its option to terminate the Mental Health Lease, in accordance with the  
6 terms and conditions of the Mental Health Lease, so that the leases remain coterminous (i.e. both  
7 this Lease and the Mental Health Lease expire on the same date).

8 If Tenant timely and properly exercises a Termination Option and timely pays the  
9 Termination Payment, (i) Base Rent and all other charges payable under this Lease shall be paid  
10 through and apportioned as of the applicable Termination Date (in addition to payment by  
11 Tenant of the applicable Termination Payment); (ii) neither party shall have any rights,  
12 liabilities, or obligations under this Lease for the period accruing after the applicable  
13 Termination Date, except those which, by the provisions of this Lease, expressly survive the  
14 expiration or termination of the term of this Lease; (iii) Tenant shall surrender and vacate the  
15 Premises and deliver possession thereof to Landlord on or before the applicable Termination  
16 Date in the condition required under this Lease for surrender of the Premises; and (iv) at  
17 Landlord's option, Tenant shall enter into a written agreement reflecting the termination of this  
18 Lease upon the terms provided for herein, which agreement shall be executed within thirty (30)  
19 days after Tenant exercises the Termination Option. Tenant shall have no right to exercise a  
20 Termination Option, notwithstanding any provision in the grant of the Termination Option to the  
21 contrary, if Tenant is in default at the time of its giving notice to exercise a Termination Option  
22 or on the Termination Date for which Tenant has given a notice to exercise a Termination  
23 Option.

24 (e) Options to Extend.

25 (i) Landlord hereby grants to Tenant two (2) options (each an "Option")  
26 to extend the Term of this Lease for two additional periods of sixty (60) months (each an  
27 "Option Term"). An Option must be exercised, if at all, by written notice ("Option Notice")  
28 delivered by Tenant to Landlord not later than two hundred seventy (270) days prior to the end  
29 of the initial Term of this Lease, or the first Option Term, as applicable. Further, an Option shall  
30 not be deemed to be properly exercised if, as of the date of the Option Notice, or at the end of the  
31 initial Term of this Lease or the end of the first Option Term, as applicable, Tenant (i) is in  
32 default under this Lease, or (ii) has assigned all or any portion of this Lease or its interest therein,  
33 or has sublet all or any portion of the Premises in violation of the Lease. As a further condition  
34 to the exercise of an Option under this Lease, it is required that the County of Los Angeles  
35 concurrently exercises its option to extend the term of the Mental Health Lease, in accordance  
36 with the terms and conditions of the Mental Health Lease, so that the leases remain coterminous  
37 (i.e. both this Lease and the Mental Health Lease expire on the same date). Provided Tenant has  
38 properly and timely exercised an Option, the then current term of the Lease shall be extended by  
39 the Option Term, and all terms, covenants and conditions of the Lease shall remain unmodified  
40 and in full force and effect, except that (i) Landlord shall have no obligation to make any tenant  
41 improvements or provide any allowance therefore, and (ii) the Basic Rent shall be modified as  
42 set forth in sections (ii), (iii) and (iv) below.

(ii) The Basic Rent payable for the first year of an Option Term shall be equal to the greater of (i) ninety percent (90%) of the then prevailing fair market rental value of the Premises as determined herein, or (ii) the Basic Rent payable by Tenant to Landlord during the final month of the initial Term of this Lease, or the first Option Term, as applicable. The monthly Basic Rent for an Option Period shall be adjusted as provided in Section 4(e)(v) below and stated on Exhibit F attached hereto. If Landlord determines that the Basic Rent for an Option Term shall be based upon the calculation described in clause (ii) above, such determination shall be conclusive, Tenant shall have no right to object thereto, and the following provisions regarding the determination of fair market rental value shall not apply. If Landlord determines that the Basic Rent for an Option Term shall be ninety percent (90%) of the fair market rental value of the Premises pursuant to clause (i) above, Landlord shall determine fair market rental value by using commercially reasonable good faith judgment. As used herein, "fair market rental value" shall mean the annual amount per rentable square foot then being charged or projected to be charged for similarly improved office space in comparable buildings (age, design, quality and relative location in the vicinity in which the building is situated) located within a 5-mile radius of the Premises, on leases for delivery on or about the applicable delivery or effective date of the Option Term, taking into consideration annual rental rates per rentable square foot, age and condition of building, the type of escalation clauses, tenant improvements or allowances provided or to be provided for such comparable space, rental abatement concessions, if any, the length of the relevant term the extent of which the fair market rental value is to become effective, and any other relevant terms or conditions. It shall be understood, however, no reduction or increase in rent shall be granted for the presence or absence of a brokerage commission. Landlord shall provide written notice of such amount not later than one hundred twenty (120) days prior to the expiration of the then current term. Tenant shall have thirty (30) days ("Tenant's Review Period") after receipt of Landlord's notice of the fair market rental value within which to accept such fair market rental value or to reasonably object thereto in writing. In the event Tenant objects to the fair market rental value submitted by Landlord, Landlord and Tenant shall attempt in good faith to agree upon such fair market rental value, using their best good faith efforts. If Landlord and Tenant fail to reach agreement on such fair market rental value within thirty (30) days following Tenant's Review Period (the "Outside Agreement Date"), then each party's determination of fair market rental value shall be submitted to arbitration in accordance with section (iii) below.

(iii) (1) Landlord and Tenant shall each appoint one arbitrator who shall by profession be a real estate broker who shall have been active over the five (5) year period ending on the date of such appointment in the leasing of commercial properties in the area in which the Building is located or an individual who shall be designated as a Member, Appraisal Institute of Real Estate Appraisers (MAI) or a member of the Society of Real Estate Appraisers (SREA) and who shall have been active over the five (5) year period ending on the date of such appointment in the appraisal of commercial properties located in Los Angeles County. The determination of the arbitrators shall be limited solely to the issue of whether Landlord's or Tenant's submitted fair market rental value for the Premises is closer to the actual fair market rental value for the Premises as determined by the arbitrators, taking into account the requirements of section 4(e)(ii) above and this section regarding the same. Each such arbitrator shall be appointed within fifteen (15) days after the Outside Agreement Date.

(2) The two arbitrators so appointed shall, within fifteen (15) days of the date of the appointment of the last appointed arbitrator, agree upon and appoint a third

1 arbitrator who shall be qualified under the same criteria set forth hereinabove for qualification of  
2 the initial two arbitrators.

3 (3) The three arbitrators shall within thirty (30) days of the  
4 appointment of the third arbitrator reach a decision as to whether the parties shall use Landlord's  
5 or Tenant's submitted fair market rental value, and shall notify Landlord and Tenant thereof.  
6 Such decision shall be based upon the factors described in section 4(e) (ii) above.

7 (4) The decision of the majority of the three arbitrators shall be  
8 binding upon Landlord and Tenant.

9 (5) If either Landlord or Tenant fails to appoint an arbitrator  
10 within the time period specified in section 4(e)(iii)(1). hereinabove, the arbitrator appointed by  
11 one of them shall reach a decision, notify Landlord and Tenant thereof, and such arbitrator's  
12 decision shall be binding upon Landlord and Tenant.

13 (6) If the two arbitrators fail to agree upon and appoint a third  
14 arbitrator both arbitrators shall be dismissed and the matter to be decided shall be forthwith  
15 submitted to arbitration under the provisions of the American Arbitration Association.

16 (7) The cost of arbitration shall be paid by Landlord and Tenant  
17 equally.

18 (iv) Notwithstanding the fair market rental value for the Premises selected  
19 by the arbitrators, in no event shall the Basic Rent for an Option Term be less than the Basic  
20 Rent payable by Tenant during the final year of the term of this Lease immediately prior to the  
21 subject Option Term.

22 (v) Basic Rent shall be adjusted on the first day of the first full month  
23 following the first anniversary of the Option Commencement Date (which shall mean the first  
24 day of the applicable Option Term) and thereafter, for each year remaining of the applicable  
25 Option Term, on the anniversary of such day (the "Adjustment Date"), as follows:

26 The base for computing the adjustment is the Consumer Price Index for All  
27 Urban Consumers, Los Angeles-Anaheim-Riverside areas, all items (1982-84 = 100), published  
28 by the United States Department of Labor (the "Index"), which is published for the month  
29 which is three (3) months prior to the applicable Option Commencement Date (the "Reference  
30 Index"). The Index published for the month which is three (3) months prior to the applicable  
31 Adjustment Date (the "Comparison Index") shall be used for determining the increase in Basic  
32 Rent on such Adjustment Date.

33 If on any Adjustment Date the Comparison Index is greater than the Reference  
34 Index, then the Basic Rent for the following twelve (12) month period shall be the amount  
35 determined by multiplying the Basic Rent payable for the first full month of the applicable  
36 Option Term by a fraction, the numerator of which is the Comparison Index and the denominator  
37 of which is the Reference Index. Landlord and Tenant hereby acknowledge and agree that, the  
38 foregoing notwithstanding, Basic Rent shall be increased on each and every Adjustment Date by  
39 no less than two point five percent (2.5%) but no more than four percent (4%) above the Basic  
40 Rent in effect immediately prior to such Adjustment Date.

41 5. RENT. Tenant shall pay Landlord all rent and other payments due to Landlord  
42 hereunder (including, without limitation, Basic Rent) during the Term hereof within fifteen (15)  
43 days after a claim therefore for each such month has been filed by Landlord with the Tenant

1 prior to the first day of each month. Basic Rent for any partial month shall be prorated in  
2 proportion to the number of days in such month. For each successive twelve (12) months of the  
3 original term of this Lease and for each successive twelve (12) month period thereafter, the  
4 monthly rent as set forth above shall be in the amount and subject to adjustment as listed on  
5 Exhibit "F" attached hereto. Tenant shall pay to Landlord the reimbursement for the Furniture  
6 Allowance, Additional Tenant Improvement Allowance and Maximum Change Order Allowance  
7 within the time provided in Sections 1.2(d) and 1.2(e).

8         6. USES. The Premises are to be used only for the uses set forth in Section 1 and for no  
9 other business or purpose; however, Landlord shall not unreasonably withhold its consent to a  
10 change of use.

11         7. HOLDOVER. If Tenant remains in possession of the Premises or any part thereof  
12 after the expiration of the Term of this Lease, such occupancy shall be a tenancy which is  
13 terminable only upon sixty (60) days written notice from Landlord or sixty (60) days written  
14 notice from the Executive Director of Tenant at one hundred percent (100%) of the last monthly  
15 Basic Rent payable under this Lease (as such Basic Rent may be adjusted from time to time in  
16 accordance with this Lease) plus all other charges payable under this Lease, and subject to all of  
17 the terms, covenants and conditions of this Lease.

18         8. COMPLIANCE WITH LAW. Tenant shall, at Tenant's expense, comply promptly  
19 with all applicable statutes, ordinances, rules, regulations, orders and requirements in effect  
20 during the term hereof, regulating the use, occupancy or improvement of the Premises by Tenant.  
21 Landlord, not Tenant, shall, at its sole cost, at all times cause the Premises and the Building to  
22 comply with all applicable statutes, ordinances, rules, regulations, orders and requirements in  
23 effect and binding upon Tenant or Landlord during the term hereof, including without limitation,  
24 the Americans with Disabilities Act, except to the extent such compliance is made necessary as a  
25 result of Tenant's particular use of or alterations or improvements to the Premises.

26         9. DAMAGE OR DESTRUCTION.

27                 (a) Damage. In the event either twenty five percent (25%) or less of the Premises  
28 is damaged by fire or any other cause rendering the Premises totally or partially inaccessible or  
29 unusable or, per the Estimated Repair Time (as defined below), the Premises may be restored to  
30 a complete architectural unit of the same value, condition and character that existed immediately  
31 prior to such casualty in less than one hundred eighty (180) days after issuance of all necessary  
32 permits, then Landlord shall promptly, at Landlord's expense, repair such damage and this Lease  
33 shall continue in full force and effect. If all or any portion of the Premises shall be made  
34 untenable by fire or other casualty, Landlord shall immediately secure the area to prevent  
35 injury to persons and/or vandalism to the improvements. Landlord shall promptly, but in any  
36 event within thirty (30) days, cause an architect or general contractor selected by Landlord to  
37 provide Landlord and Tenant with a written estimate of the amount of time required, after the  
38 issuance of all necessary permits, to substantially complete the repair and restoration of the  
39 Premises and make the Premises tenantable again using standard working methods ("Estimated  
40 Repair Time"). The failure to do so following a thirty (30) day written notice to Landlord from  
41 Tenant shall be a material Default hereunder. Basic Rent shall abate to the extent that the  
42 Premises are unusable by Tenant. Tenant waives the provisions of California Civil Code  
43 Sections 1932(2) and 1933(4) with respect to any partial or total destruction of the Premises.

1 (b) Tenant Termination Right. In the event more than twenty-five percent (25%)  
2 of the Premises is damaged by fire or any other cause rendering the Premises totally or partially  
3 inaccessible or unusable and the Estimated Repair Time to restore the Premises is more than one  
4 hundred eighty (180) days for any reason, then Tenant may terminate this Lease by giving  
5 written notice within ten (10) days after notice from Landlord specifying the Estimated Repair  
6 Time and this Lease shall terminate and the Basic Rent shall be abated from the date the  
7 Premises became untenable. In the event that Tenant does not elect to terminate this Lease,  
8 Landlord shall promptly commence and diligently prosecute to completion the repairs to the  
9 Building or Premises, provided insurance proceeds are available to repair the damages.

10 (c) Damage In Last Year. Notwithstanding the foregoing provisions, if any  
11 material destruction to the Premises occurs during the last year of the Term, either Landlord or  
12 Tenant may terminate this Lease by giving notice to the other not more than thirty (30) days after  
13 such destruction, in which case (a) Landlord shall have no obligation to restore the Premises, (b)  
14 Landlord may retain all insurance proceeds relating to such destruction, and (c) this Lease shall  
15 terminate as of the date which is thirty (30) days after such written notice of termination. As  
16 used herein, the term "material destruction" shall mean the destruction of greater than twenty  
17 five percent (25%) of the Premises rendering the Premises totally or partially inaccessible or  
18 unusable.

19 (d) Default By Landlord. If Landlord is required to repair and restore the  
20 Premises as provided for in this Section and Landlord should fail to thereafter pursue said repair  
21 and restoration work with reasonable diligence to completion, Tenant may, after giving written  
22 notice thereof to Landlord and a thirty (30) day period to cure such failure: (a) declare a default  
23 hereunder or (b) perform or cause to be performed the restoration work and deduct the cost  
24 thereof plus interest thereon at ten percent (10%) per annum, from the Basic Rent next due as a  
25 charge against the Landlord.

## 26 10. REPAIRS AND MAINTENANCE.

27 (a) Landlord Representations. Landlord represents, to its knowledge, to Tenant  
28 that (i) the Premises, the Building and all Common Areas (including electrical, heating,  
29 ventilating and air conditioning ("HVAC") which HVAC shall be new and installed by Landlord  
30 as part of Base Tenant Improvements, electrical, mechanical, plumbing, gas and fire/life safety  
31 systems in the Building and similar building service systems) comply with all current laws,  
32 codes, and ordinances, including the Americans With Disabilities Act; and are in reasonable  
33 good working order and condition; (ii) the Building and Premises comply with all covenants,  
34 conditions, restrictions and underwriter's requirements; and (iii) to Landlord's actual knowledge,  
35 the Premises, Building and Common Areas are free of the presence of any Hazardous Materials  
36 (as hereinafter defined) and (iv) Landlord has not received any notice from any governmental  
37 agency that the Building or the Premises are in violation of any law or regulation which has not  
38 been cured. Landlord represents, that, except as disclosed in the Phase 1 Environmental Site  
39 Assessment Report described in Section 1.(p) that the Premises and the Building contain no  
40 asbestos or other Hazardous Materials (as herein defined) .

41 (b) Landlord Obligations. Landlord shall keep and maintain in good repair and  
42 working order and promptly make repairs to and perform maintenance upon and replace as  
43 needed: (i) the structural elements of the Building, including without limitation, all permanent

1 exterior and interior walls, floors and ceilings, roof, concealed plumbing, stairways, concealed  
2 electrical systems and telephone intra building network cable (ii) mechanical (including HVAC),  
3 electrical, plumbing and fire/life safety systems serving the Building (iii) the Common Areas;  
4 and (iv) exterior windows of the Building. Landlord, at its sole cost and expense, shall also  
5 perform all maintenance and repairs to the Premises, and shall keep the Premises in good  
6 condition and repair, reasonable wear and tear excepted. Landlord's repair obligations include,  
7 without limitation, repairs to: (1) the floor covering (2) interior partitions; (3) doors; (4) the  
8 interior side of demising walls. Notwithstanding anything to the contrary contained herein,  
9 Landlord's only obligation with respect to carpeting is to replace every ten (10) years after the  
10 Commencement Date and with respect to interior painting, to repaint every ten (10) years after  
11 the Commencement Date. Tenant shall, at Tenant's sole expense, be responsible for the cost of  
12 repairing any area damaged by Tenant or Tenant's agents, employees, invitees and visitors and  
13 the repair of module furniture, low voltage electronic, phone and data cabling and related  
14 equipment and all other personal property that is installed by or for the exclusive benefit of  
15 Tenant. All repairs and replacements shall: (a) be made and performed by Nitany Lion  
16 Landscaping, Inc. ("NL") which Tenant hereby approves, or by any other contractors or  
17 mechanics approved by Tenant, which consent shall not be unreasonably withheld or delayed,  
18 (b) be at least equal in quality, value and utility to the original work or installation, (c) be in  
19 accordance with all laws.

20 (c) Tenant's Right to Repair. If Tenant provides written notice (or oral notice in  
21 the event of an emergency such as damage or destruction to or of any portion of the Building  
22 structure and/or the Building systems and/or anything that could cause material disruption to  
23 Tenant's business) to Landlord of an event or circumstance which requires the action of Landlord  
24 with respect to repair and/or maintenance, and Landlord fails to commence and diligently pursue  
25 within five (5) business days of acquiring any necessary permits or, if no permits are required,  
26 within five (5) business days after the receipt of such notice, then Tenant may proceed to take the  
27 required action (provided, however, that no such notice shall be required in the event of an  
28 emergency which threatens life or where there is danger of imminent material damage to  
29 property or the failure to take immediate action could reasonably cause a material disruption in  
30 Tenant's normal and customary business activities). Tenant shall have access to the Building to  
31 the extent necessary to perform the work contemplated by this provision. If such action was  
32 required under the terms of this Lease to have been taken by Landlord and was not taken by  
33 Landlord within such period (unless such notice was not required as provided above), and Tenant  
34 took such required action, then Tenant shall be entitled to prompt reimbursement by Landlord of  
35 Tenant's reasonable costs and expenses in having taken such action plus interest thereon at ten  
36 percent (10%) per annum. If not reimbursed by Landlord within ten (10) days, Tenant shall be  
37 entitled to deduct from Basic Rent payable by Tenant under this Lease such amount as is set  
38 forth in its invoice given to Landlord. The remedies provided in this Section are in addition to  
39 the remedies provided in Section 15.

#### 40 11. SERVICES AND UTILITIES.

41 Landlord shall furnish the following services and utilities to the Premises:

42 (a) HVAC. Landlord shall furnish heating, ventilation and air conditioning  
43 ("HVAC"), during Normal Working Hours in amounts required for the use and occupancy of the

1 Premises for normal office purposes to a standard comparable to other office buildings and not  
2 less than the standard set forth in Exhibit D attached hereto.

3 (b) Electricity. Landlord shall furnish to the Premises the amount of electricity  
4 required per the Plans and specifications set forth and approved as shown in Addendum B to  
5 Landlord's Work Letter, at Tenant's sole cost.

6 (c) Water. Landlord shall make available water for normal lavatory and potable  
7 water meeting all applicable governmental standards for drinking purposes in the Premises, at  
8 Tenant's sole cost.

9 (d) Gas. Landlord shall furnish to the Premises a metered gas line if it is not  
10 currently provided to the Building as of the date of this Lease, at Tenant's sole cost and expense.

11 Tenant agrees to pay when due all charges for the consumption of the electricity, gas and  
12 water in the Premises during the term of this Lease or any renewal, extension, or holdover  
13 thereof, provided the same are measured by separate meter, which shall be installed at the sole  
14 cost of the Landlord.

15 (e) Janitorial. Landlord shall provide janitorial services on five (5) nights per  
16 week generally consistent with that furnished in comparable office buildings in the County of  
17 Los Angeles, but not less than the services set forth in the specifications set forth in Exhibit E  
18 attached hereto. Notwithstanding the definition of Normal Working Hours, the janitorial service  
19 shall be rendered during the customary hours for such service. At the written request of Tenant,  
20 Landlord shall provide, but Tenant shall be solely responsible for the cost of any day porter.  
21 Tenant shall reimburse Landlord the cost of the day porter as provided in Section 5.

22 (f) Access. Landlord shall furnish to Tenant's employees and agents access to the  
23 Building, Premises and Common Areas on a seven (7) day per week, twenty-four (24) hour per  
24 day basis, subject to compliance with such reasonable security measures as shall from time to  
25 time be in effect for the Building.

26 12. TAXES. Landlord shall pay promptly all real property taxes, assessments and  
27 special assessments which may be levied or assessed against the Premises during the term of this  
28 Lease or renewal or holdover period thereof. In the event Landlord fails or refuses to pay any or  
29 all taxes or assessments when due, Tenant may give Landlord thirty (30) calendar days prior  
30 notice and, provided Landlord is not contesting its obligation to pay such taxes or assessments,  
31 thereafter pay such taxes or assessments, and deduct the payments from the installments of rent  
32 next due as a charge against Landlord. Landlord, at its own expense, may contest by appropriate  
33 legal proceeding, promptly initiated and conducted in good faith and with due diligence, the  
34 amount or validity or application in whole or in part of any taxes or assessments, provided that  
35 such proceeding shall suspend the collection of the taxes from Landlord and from the Property.

36 13. LANDLORD ACCESS. Tenant shall permit Landlord and its agents to enter the  
37 Premises upon prior written notice for the purpose of inspecting the Premises for any reasonable  
38 purpose. If Landlord temporarily closes any portion of the Premises other than because of an act  
39 or omission to act by Tenant or in compliance with law for more than eight consecutive business  
40 hours which for purposes of this Section 13 shall be 8:30 am to 5:30 pm Monday through Friday

1 other than holidays recognized by the County of Los Angeles, Basic Rent shall be prorated based  
2 upon the percentage of the Premises or Building rendered untenable and not used by Tenant.  
3 Landlord shall have the right at any and all times to enter the Premises without notice to Tenant  
4 in the event of an emergency.

5 14. TENANT DEFAULT.

6 (a) Default. The occurrence of any one or more of the following events (a  
7 "Default") shall constitute a material default and breach of this Lease by Tenant:

8 (i) the failure by Tenant to make any payment of Basic Rent or any other  
9 payment required to be made by Tenant hereunder (except to the extent an offset is expressly  
10 permitted hereunder), as and when due and if the failure continues for a period of ten (10) days  
11 after written notice to Tenant;

12 (ii) the failure by Tenant to observe or perform any of the other  
13 covenants, conditions or provisions of this Lease, where such failure shall continue for a period  
14 of thirty (30) days after written notice from Landlord specifying in detail the nature of the  
15 default; provided, however, if more than thirty (30) days are reasonably required for its cure then  
16 Tenant shall not be deemed to be in default if Tenant commences such cure within said 30-day  
17 period and thereafter diligently prosecutes such cure to completion.

18 (b) Termination. Tenant agrees that if a Default should occur and should not be  
19 cured within the time periods set forth above, it shall be lawful for Landlord to terminate this  
20 Lease upon the giving of three (3) day written notice to Tenant. In addition thereto, Landlord  
21 shall have such other rights or remedies as may be provided by law.

22 (c) No Effect on Indemnity. Nothing in this Article shall be deemed to affect  
23 either Landlord or Tenant's right to indemnification under any indemnification clause or clauses  
24 set forth in this Lease.

25 (d) Cross Default. In the event of a breach or default by Tenant under any other  
26 lease for space which is in the Building, such default shall, at the election of Landlord, constitute  
27 a Default by Tenant under this Lease, and shall entitle Landlord to all remedies available to  
28 Landlord under this Lease.

29 15. LANDLORD DEFAULT.

30 (a) Remedies. Landlord shall be in default in the performance of any obligation  
31 required to be performed by Landlord under this Lease only if Landlord has failed to perform  
32 such obligation after the required notice and within the time period otherwise set forth  
33 specifically in this Lease, or if no required notice or time period is specifically set forth, then  
34 within twenty (20) days after the giving of written notice to Landlord by Tenant unless the nature  
35 of such default is such that the same cannot reasonably be cured within such twenty (20) day  
36 period, in which event Landlord shall not be deemed to be in default if Landlord shall within  
37 such twenty (20) day period commence such cure and thereafter diligently prosecute the same to  
38 completion. If the default by Landlord ("Landlord Default") is of such a nature that it materially  
39 and substantially interferes with Tenant's occupancy and use of the Premises and if such  
40 Landlord Default is not cured within the foregoing cure period, then Tenant

1 shall have the right, at its option, upon giving written notice to Landlord, to any one or more of  
2 the following described remedies in addition to all other rights and remedies provided at law or  
3 in equity or elsewhere herein: (i) to remedy such default or breach and deduct the costs thereof  
4 (including but not limited to attorneys' fees) plus interest at the rate of ten (10%) per annum from  
5 the installments of Basic Rent next falling due or (ii) to pursue the remedy of specific  
6 performance; or (iii) terminate the Lease. Other than any payment by Landlord under its  
7 indemnity obligation set forth in Section 19(b) below and damages to the extent required to be  
8 covered by Landlord's insurance pursuant to Section 20 hereof, in no event shall Tenant be  
9 entitled to any consequential, special damages or other monetary damages, including but not  
10 limited to damages for relocation or increased rental costs.

11 (b) Waiver. Nothing herein contained shall relieve Landlord from its duty to  
12 effect the repair, replacement, correction or maintenance required to restore any affected  
13 services, or to perform any other obligations to the standard prescribed in this Lease, nor shall  
14 this Section be construed to obligate Tenant to undertake any such work.

15 (c) Emergency. Notwithstanding the foregoing cure period, Tenant may cure any  
16 default without notice where the failure promptly to cure such default would, in the reasonable  
17 opinion of Tenant, create or allow to persist an emergency condition or materially and adversely  
18 affect the operation of Tenant's business in the Premises.

19 16. ASSIGNMENT AND SUBLETTING. Tenant may not assign, mortgage, encumber  
20 or otherwise transfer this Lease or sublet the whole or any part of the Premises without first  
21 obtaining Landlord's prior consent which Landlord shall not unreasonably withhold. Landlord's  
22 consent shall be given or denied within thirty (30) days of receipt of written request. Should  
23 there be no response within thirty (30) days the request shall be deemed approved by the  
24 Landlord. Notwithstanding the foregoing, Tenant shall have the right at all times to allow  
25 another government agency (including any government assignee, contractor or subcontractor  
26 providing government services as are provided by Tenant) other than the Department of Health  
27 Services of the County of Los Angeles, to use the Premises, without the Landlord's written  
28 consent so long as the intended use is consistent and compatible with Tenant's use of the  
29 Premises in accordance with the terms of Paragraph 1.(l) of this Lease. Tenant agrees to  
30 promptly notify Landlord of any such change in tenancy. Tenant, at its sole discretion and  
31 without consent of the Landlord, may assign and sublet the whole or any part of the Premises to  
32 the Community Development Commission of the County of Los Angeles, a public body, politic  
33 and corporate.

34 17. ALTERATIONS AND ADDITIONS.

35 (a) Landlord Consent. Tenant shall not make any structural alterations,  
36 improvements, additions, or utility installations in or about the Premises (collectively,  
37 "Alterations") without first obtaining the written consent of Landlord, which consent shall not be  
38 unreasonably withheld, conditioned or delayed. However, Landlord's consent shall not be  
39 required for any Alteration that satisfies all of the following criteria: (1) complies with all Laws;  
40 (2) is not visible from the exterior of the Premises or Building; (3) will not materially affect the  
41 systems or structure of the Building; and (4) such Alteration does not cost more than \$25,000 in  
42 the aggregate. If Landlord fails to respond in writing within thirty (30) days of such request,  
43 Landlord shall be deemed to approve the Alterations.

1 (b) End of Term. Tenant shall remove and repair as provided in Section 27 at its  
2 own expense, all fixtures, equipment and all other personal property placed or installed in or  
3 upon the Premises by Tenant, or under its authority (including any modular furniture).

4 18. CONDEMNATION.

5 (a) Controlling Terms. If during the Term, or during the period of time between  
6 the execution of this Lease and the Commencement Date, there is any taking of all or any part of  
7 the Premises or any interest in this Lease by Condemnation (as defined below), this Section  
8 shall determine the rights and obligations of Tenant and Landlord. "Condemnation" shall mean  
9 the exercise of any governmental power to take title to any portion of the Premises, whether by  
10 legal proceedings or otherwise, by a Condemnor (as defined below) or a voluntary sale or  
11 transfer by Landlord to any Condemnor, either under threat of a Condemnor's exercise of such  
12 power or while legal proceedings are pending for the exercise of such power. "Condemnor"  
13 shall mean any public or quasi-public authority, or private corporation or individual, having the  
14 power of Condemnation.

15 (b) Total Taking. If the Premises are totally taken by Condemnation, this Lease  
16 shall terminate on the date the Condemnor has a right to possession of the Premises (the "Date of  
17 Taking").

18 (c) Partial Taking. If any portion, but not all, of the Premises is taken by  
19 Condemnation, this Lease shall remain in effect, except that Tenant may elect to terminate this  
20 Lease if more than ten percent (10%) of the Premises is taken and the remaining portion of the  
21 Premises (including the space available for parking) is rendered unsuitable for Tenant's  
22 continued use of the Premises. If Tenant elects to so terminate this Lease, Tenant must exercise  
23 its right to terminate by giving notice to Landlord within thirty (30) days after the date that the  
24 nature and the extent of the Condemnation have been determined (the "Determination Date"),  
25 which notice shall set forth the date of termination. Such termination date shall not be earlier  
26 than thirty (30) days nor later than ninety (90) days after Tenant has notified Landlord of its  
27 election to terminate; except that this Lease shall terminate on the Date of Taking if the Date of  
28 Taking falls on a date before the date of termination as designated by Tenant. If Tenant does not  
29 so notify Landlord within thirty (30) days after the Determination Date, all obligations of Tenant  
30 under this Lease shall remain in effect, except that Basic Rent shall be equitably abated.

31 (d) Restoration. Notwithstanding the preceding paragraph, if, within thirty (30)  
32 days after the Determination Date, Landlord notifies Tenant that Landlord at its cost will add to  
33 the remaining Premises so that the area of the Premises and the space available for parking, will  
34 be substantially the same after the Date of Taking as they were before the Date of Taking, and  
35 Landlord commences the restoration promptly and, subject to reasonable allowance for delays  
36 that are not caused by Landlord, completes it within one hundred twenty (120) days after  
37 obtaining all necessary permits, this Lease shall continue in effect. All obligations of Tenant

18 any time during or after the Term as a result (directly or indirectly) of or in connection with the  
19 presence of Hazardous Materials on, under or about the Premises, Building or Common Areas  
20 but only if the presence of Hazardous Materials is caused by a violation of laws relating to  
21 Hazardous Materials other than caused by Tenant. This indemnity shall include, without  
22 limitation, the cost of any required or necessary repair, cleanup or detoxification, and the  
23 preparation and implementation of any closure, monitoring or other required plans, as such  
24 action is required by local or state laws or any governmental agency. Landlord shall promptly  
25 deliver to Tenant a copy of any notice received from any governmental agency during the Term  
26 of this Lease concerning the presence of Hazardous Materials in the Building or the Premises.  
27 Landlord's obligations pursuant to the foregoing indemnity shall survive the expiration or

30 30(l).

31 23. ESTOPPEL CERTIFICATES. Tenant shall, within twenty (20) business days after

39 Commencement Date, Landlord shall construct the Base Tenant Improvements in the manner set  
40 forth in the Landlord's Work Letter executed by Landlord and Tenant concurrently herewith.

5 subordinate this Lease to the lien of any mortgages or deeds of trust now or hereafter in force  
6 against the Building; provided, however, Tenant's obligation to subordinate this Lease is  
7 expressly conditioned upon Tenant receiving a written agreement in the form of Document I in  
8 the Supplemental Lease Documents delivered to Landlord concurrently herewith and provided  
9 further that no such subordination shall affect any option to extend the Term of this Lease.

10           (b) Existing Deeds of Trust. The beneficiary under any existing deed of trust  
11 affecting the Building shall provide a written agreement to Tenant in the form of Document I in  
12 the Supplemental Lease Documents, delivered to Landlord concurrently herewith within thirty

15 Request for Notice with respect to any mortgages or deeds of trust affecting the Property in the  
16 form of Document V in the Supplemental Lease Documents delivered to Landlord concurrently  
17 herewith.

18           (d) Notice of Default. If any mortgagee or beneficiary under a deed of trust  
19 affecting the Property gives written notice of its name and address to Tenant by registered mail  
20 requesting any such notice with reference to this Section, Tenant agrees to use its best efforts  
21 (but without liability for failure to do so) to give such mortgagee a copy of any notice of Default  
22 served upon Landlord hereunder which could permit Tenant to terminate this Lease and an  
23 additional ten (10) days within which to cure such Default.

24           27. SURRENDER OF POSSESSION. Tenant agrees to return the Premises to Landlord  
25 in as good condition as when rented, ordinary wear and tear, damage by earthquake, fire or the  
26 elements and other such disasters or casualty excepted to the extent not caused by Tenant. As  
27 between Tenant and Landlord, Tenant shall be responsible to Landlord for any and all damage to  
28 the Premises by Tenant and any of Tenant's agents, servants, employees, customers or invitees.  
29 Tenant shall remove and repair all damage caused by such removal, at its own expense, all

31 Tenant, or under its authority (including any modular furniture).

33 the Premises reasonably appropriate signs that are consistent with the remainder of the buildings  
34 on the Property and that conform with any and all applicable laws and ordinances.

35           29. QUIET ENJOYMENT. So long as Tenant is not in default hereunder, Tenant shall  
36 have the right to the quiet and peaceful enjoyment and possession of the Premises and the

7 Supplemental Lease Documents) is the final and complete expression of Landlord and Tenant  
8 relating in any manner to the leasing, use and occupancy of the Premises, to Tenant's use of the  
9 Building and other matters set forth in this Lease. No prior agreements or understanding  
10 pertaining to the same shall be valid or of any force or effect and the covenants and agreements  
11 of this Lease shall not be altered, modified or added to except in writing signed by both Landlord  
12 and Tenant.

13 (d) Severability. Any provision of this Lease which shall prove to be invalid,  
14 void or illegal shall in no way affect, impair or invalidate any other provision hereof and the  
15 remaining provisions hereof shall nevertheless remain in full force and effect.

16 (e) Brokers. Landlord and Tenant each represent and warrant to each other that it  
17 has not engaged any broker, finder or other person who would be entitled to any commission or  
18 fees in respect of the negotiation, execution or delivery of this Lease other than as set forth in  
19 this Lease and shall indemnify and hold harmless each other against any loss, cost, liability or  
20 expense incurred by the other party as a result of any claim asserted by any such broker, finder or  
21 other person on the basis of any arrangements or agreements made or alleged to have been made  
22 in variance with this representation.

23 (f) Notices. All notices and communications to any party hereunder shall be in  
24 writing and shall be deemed properly given if delivered personally, sent by registered or certified  
25 mail, postage prepaid, or by a recognized overnight commercial messenger providing proof of  
26 delivery, facsimile (electronically confirmed) to Landlord's Address for Notice and Tenant's  
27 Address for Notice as set forth in Section 1. Any notice so given shall be deemed to have been  
28 given as of the date of delivery (whether accepted or refused) established by U.S. Post Office  
29 return receipt or the overnight carrier's proof of delivery, as the case may be. Any such notice  
30 not so given shall be deemed given upon receipt of the same by the party to whom the same is to  
31 be given.

32 (g) Governing Law and Forum. This Lease shall be governed by and construed  
33 in accordance with the internal laws of the State of California. Any litigation with respect to this  
34 Lease shall be conducted in the County of Los Angeles, State of California.

35 (h) Waivers. No waiver by Landlord or Tenant of any provision hereof shall be  
36 deemed a waiver of any other provision hereof or of any subsequent breach by Landlord or  
37 Tenant of the same or any other provision. Landlord's or Tenant's consent to or approval of any  
38 act shall not be deemed to render unnecessary the obtaining of Landlord's or Tenant's consent to  
39 or approval of any subsequent act by Landlord or Tenant.

40 (i) Time of Essence. Time is of the essence for the performance of all of the  
41 obligations specified hereunder.

1 (j) Consent. Whenever any consent is required by Landlord or Tenant hereunder,  
2 such consent shall not be unreasonably withheld, conditioned or delayed and, unless otherwise

7 as Document IV in the Supplemental Lease Documents delivered to Landlord concurrently  
8 herewith.

9 (l) Memorandum of Lease. If requested by Tenant, Landlord and Tenant shall  
10 execute and acknowledge a Memorandum of Lease in the form of Document IV in the  
11 Supplemental Lease Documents delivered to Landlord concurrently herewith, which  
12 Memorandum may be recorded by Tenant in the Official Records of Los Angeles County.

13 (m) Notice and Cure. If, for a specific failure of performance by Landlord under  
14 this Lease or in any document executed in connection with this Lease, there is no notice and cure  
15 period, then Landlord shall be in default under this Lease or such document only if Landlord has  
16 failed to perform such obligation within twenty (20) days after its receipt of written notice to  
17 Landlord with respect thereto by Tenant (in accordance with Section 30(f)), provided, however,  
18 if the nature of such default is such that the same cannot be reasonably cured within such twenty  
19 (20) day period, Landlord shall not be deemed to be in default if Landlord shall within such  
20 period commence such cure and thereafter diligently prosecute the same to completion.

21 31.1. AUTHORITY. Only the Board of Commissioners has the authority, by formally  
22 approving and/or executing this Lease, to bind the Housing Authority to the terms included  
23 herein. Each individual executing this Lease on behalf of Tenant represents and warrants that he  
24 or she is duly authorized to execute and deliver this Lease on behalf of Tenant, and that this  
25 Lease is binding upon Tenant in accordance with its terms. Landlord understands that no  
26 material terms of this Lease may be altered or deleted, nor may any new material terms be added  
27 to this Lease, without the express written approval of the Board of Commissioners, either  
28 through an amendment to the Lease or by other formal board action. No Housing Authority  
29 officer, employee, agent or independent contractor has any authority to alter, add or delete the  
30 material terms of this Lease and Landlord may not rely upon any representations to the contrary.  
31 This limitation of authority applies to all material terms of the Lease including, without  
32 limitation, any monetary ceiling established for Tenant Improvements or other project costs of  
33 Landlord which are subject to reimbursement by the Tenant. Tenant shall not reimburse  
34 Landlord for any expenses which exceed this ceiling. Notwithstanding the foregoing, the  
35 Executive Director of the Housing Authority or its delegee may take any administrative act on  
36 behalf of Tenant hereunder which does not have the effect of increasing Basic Rent or other  
37 financial obligations of Tenant under this Lease, including without limitation, granting any  
38 approvals, terminating this Lease in the manner provided herein by an Early Termination Notice  
39 or otherwise, signing estoppel certificates, signing the Commencement Date Memorandum and  
40 Confirmation of Lease Terms or subordinating this Lease. Each individual executing this Lease  
41 on behalf of Landlord represents and warrants that he or she is duly authorized to execute and  
42 deliver this Lease on behalf of Landlord, and that this Lease is binding upon Landlord in  
43 accordance with its terms.

1           31.2. LENDER'S APPROVAL. This Lease shall have no force or effect unless and  
2 until Landlord receives written final and unconditional approval of this Lease from the following  
3 lender: Wachovia Bank National Association, and, if applicable, its loan servicing company.  
4 The lender approval required pursuant to this subsection as a condition to the effectiveness of  
5 this Lease are herein referred to as "Lender's Approval".

6           31.3 RELATIONSHIP OF THIS LEASE AND THE MENTAL HEALTH LEASE.  
7 The parties acknowledge that this Lease and the Mental Health Lease were originally negotiated  
8 by Landlord and Tenant as one entire lease agreement, with Tenant to use the space for the  
9 Housing Authority and the County of Los Angeles to use the space for the Department of Mental  
10 Health, but at Tenant's request Landlord agreed to enter into two, separate but parallel leases,  
11 with the mutual understanding that each lease shall be dependent upon the effectiveness and  
12 existence of the other lease. Based upon the foregoing, Landlord and Tenant each hereby  
13 acknowledge and agree that, (1) in addition to all other conditions to the effectiveness of this  
14 Lease contained in this Lease, this Lease is also expressly conditioned upon the approval,  
15 execution, delivery and commencement of the Mental Health Lease, and (2) the effectiveness of  
16 Tenant's exercise of any option or right under this Lease which effects the commencement or  
17 expiration of the term of this Lease, is expressly conditioned upon the County of Los Angeles  
18 timely and proper exercise of the parallel option or right contained in the Mental Health Lease so  
19 that both leases shall remain coterminous.

20           32. ACKNOWLEDGEMENT BY LANDLORD.

21           Landlord acknowledges that it is aware of the following provisions:

22           (a) Consideration of GAIN Program Participants. Should Landlord require  
23 additional or replacement personnel after the effective date of this Lease, Landlord shall give  
24 consideration for any such employment, openings to participants in the County Department of  
25 Public Social Services' Greater Avenues for Independence ("GAIN") Program who meet  
26 Landlord's minimum qualifications for the open position. The County will refer GAIN  
27 participants by job category to Landlord.

28           (b) Solicitation of Consideration. It is improper for any County officer,  
29 employee or agent to solicit consideration in any form from a landlord with the implication,  
30 suggestion or statement that the landlord's provision of the consideration may secure more  
31 favorable treatment for the landlord in the award of the Lease or that landlord's failure to provide  
32 such consideration may negatively affect the County's consideration of the landlord's offer to  
33 lease. A landlord shall not offer or give, either directly or through an intermediary, consideration  
34 in any form to a County officer, employee or agent for the purpose of securing favorable  
35 treatment with respect to the award of the Lease.

36           Landlord shall immediately report any attempt by a County officer, employee or  
37 agent to solicit such improper consideration. The report shall be made either to the County  
38 manager charged with the supervision of the employee or to the County Auditor-Controller's  
39 Employee Fraud Hotline at (213) 974-0914 or (800) 544-6861. Failure to report such solicitation  
40 may result in the landlord's submission being eliminated from consideration.

41           (c) Landlord Assignment.

1 (i) Landlord may assign, transfer, mortgage, hypothecate or encumber  
2 Landlord's right, title and interest in and to this Lease or any portion thereof (including the right  
3 to receive rental payments but excluding its duties and obligations hereunder unless in  
4 connection with a direct or indirect sale of the Property), and Landlord may execute any and all  
5 instruments providing for the payment of Basic Rent directly to an assignee or transferee, but  
6 only if the conditions set forth in this Section are met.

7 (ii) Any document or agreement purporting to assign, transfer, mortgage,  
8 hypothecate or encumber Landlord's right, title and interest in and to this Lease or any portion  
9 thereof, is hereinafter referred to as a "Security Agreement." Any Security Agreement which is  
10 executed without full compliance with the requirements of this Section shall be void as it regards  
11 this Lease.

12 (iii) Each assignee or transferee under the Security Agreement shall  
13 certify and agree in writing that such assignee or transferee has read and is familiar with the  
14 requirements of Sections 5950-5955 of the California Government Code, which prohibit the  
15 offer or sale of any security constituting a fractional interest in this Lease or any portion thereof,  
16 without the prior written consent of the Housing Authority.

17 (iv) Violation by Landlord of the provisions of Section 5951 of the  
18 California Government Code will constitute a material breach of this Lease, upon which the  
19 County may impose damages in an amount equal to the greater of (a) \$500,000 or (b) 10% of the  
20 aggregate principal portion of all rental payments payable by the County during the entire Term  
21 of this Lease, it being expressly agreed that the aforesaid amount shall be imposed as liquidated  
22 damages, and not as a forfeiture or penalty. It is further specifically agreed that the aforesaid  
23 amount is presumed to be the amount of damages sustained by reason of any such violation,  
24 because from the circumstances and nature of the violation it would be impracticable and  
25 extremely difficult to fix actual damages. In addition, the Housing Authority may exercise or  
26 pursue any other right or remedy it may have under this Lease or applicable law.

27 (v) Landlord shall give the Housing Authority notice and a copy of each  
28 Security Agreement and any other instrument relating thereto (including, but not limited to,  
29 instruments providing for the payment of Basic Rent directly to an assignee or transferee) at least

1     2.     **Construction of the Building.**

2             2.1     **Base Building Improvements.** Landlord has constructed or shall construct the  
3 base Building improvements as a part of the Building described on Addendum A hereto (the  
4 "Base Building Improvements"). To the extent that the Base Building Improvements must be

6 changes or additions shall be considered Base Tenant Improvements (as defined below) only to  
7 the extent such changes or additions are specifically described in Addendum B hereto.

8             2.2     **Additional Costs Not Base Tenant Improvement Costs**

9             (a) In the event that the Building as initially constructed does not comply with  
10 current life-fire safety codes, disabled access codes (including, without limitation, the ADA),

14            (b) Any work that Landlord must undertake to cause the Premises to comply with  
15 the access requirements of the ADA or make existing building systems, including, but not  
16 limited to, electrical service and HVAC equipment, fully operational shall be at Landlord's sole  
17 cost and expense. Base Tenant Improvement Costs shall not include any costs associated with (i)

28 telecommunications improvements and the costs of "Change Orders" in excess of the Maximum

Each Change Order must be signed and dated by the Executive Director. That portion of the Additional Tenant Improvement Allowance and Maximum Change Order Allowance used to pay for Additional Tenant Improvements and Change Orders will be payable by Tenant to Landlord in a lump sum payment within thirty (30) days after the later of: (i) the Commencement Date; or (ii) delivery by Landlord to Tenant of a final invoice for the Tenant Improvement Allowance and Maximum Change Order Allowance.

Except as set forth herein, no delay in the completion of construction of the Base Tenant Improvements shall be considered in the determination of the Commencement Date of the Lease and, except as set forth herein or in the Lease, under no circumstance shall Tenant be charged with any delay whatsoever as a result of delay in the construction of Base Tenant Improvements. Subject to the provisions of Section 8.2,

1 the Projected Commencement Date set forth in the Lease shall be extended one (1) day for each  
2 day that: (i) Tenant fails or refuses to give authorizations or approvals within the time periods  
3 required herein but only to the extent such delays delay the commencement or completion of  
4 construction of the Base Tenant Improvements; or (ii) construction time will be increased  
5 because (a) Tenant modifies the Plans subsequent to their approval, or (b) due to any action or  
6 omission of Tenant or anyone performing services on behalf of Tenant (each of (i), (ii)(a) and

10 causes beyond the reasonable control of Landlord (referred to herein as "Force Majeure  
11 Delay(s)").

12 10.2. Limitations.

13 (a) Notice. No Tenant Delay or Force Majeure Delay shall be deemed to have  
14 occurred unless Landlord has provided written notice, within forty eight (48) hours of the event  
15 giving rise to such claim, in compliance with the Lease, to Tenant specifying that a delay is  
16 claimed to have occurred because of actions, inaction or circumstances specified in the notice in  
17 reasonable detail. If such actions, inaction or circumstances qualify as a Tenant Delay or Force

19 have occurred only commencing as of the date Tenant received such notice from Landlord.

20 (b) Mitigation. Tenant Delays and Force Majeure Delays shall delay the  
21 Projected Commencement Date only in the event that Substantial Completion of the Base Tenant  
22 Improvements is delayed, despite Landlord's reasonable efforts to adapt and compensate for such  
23 delays, which efforts Landlord shall be obligated to make (provided such additional cost incurred  
24 by Landlord due to such effort does not exceed \$1,000 on a cumulative basis, unless Tenant  
25 agrees to pay to such excess).

26 (c) Concurrent Delays. Tenant Delays and Force Majeure Delays shall be  
27 recognized hereunder only to the extent the same are not concurrent with any other Tenant Delay  
28 or Force Majeure Delay which is effective hereunder. For example, if there are ten (10) days of  
29 Tenant Delays and four (4) days of Force Majeure Delays which occur during the same ten (10)  
30 day period of such Tenant Delays, then the Projected Commencement Date would be extended  
31 by only ten (10) days; on the other hand, if such Tenant Delays and Force Majeure Delays did  
32 not occur during the same period, the Projected Commencement Date would be extended by  
33 fourteen (14) days.

5 13. **Delivery.** Delivery of all plans and drawings referred to in this Work Letter shall be by
